Property Description

Jewel Home - Luxury Estate in Playa Ocotal Breathtaking Ocean Views from every room Bed: 5 Bath: 6 Construction size: 558m2 / 6000sqft Nestled in the hills of Playa Ocotal, overlooking the bay, Jewel Home was designed to showcase panoramic views of the Pacific from every room. Up a private driveway flanked with tropical plants brings you to a two-car garage, which is attached to the one bed one bath caretaker's/maid's squatters. These lodgings can be transformed into a high-end guest apartment, upping the number of bedrooms Jewel Home offers its guests from four (in the main house) to five. With the exception of the caretaker's lodgings, there are travertine marble, and almond hardwood floors throughout. Attached to the garage/caretakers' lodgings and accessed through a wooden deck is a large airy room with full-length windows and sweeping ocean views. This room can be purposed in many ways, it can serve as an exercise or meditation room, or fashioned into a large open floor office space, for those times when multiple house guests are working remotely.
