Property Description

Wake to the sounds of tropical birds singing and flitting about, as you sip your morning coffee out by your private pool in this brand new modern 2,100 square foot, two bedroom, 2.5 bath beachside home with two separate master bedroom suites. And each master has its own private space with one located upstairs and the other on the other side of the outdoor entertainment and pool area so everyone has their ultimate privacy, making this a perfect home for vacation rentals and visiting family and friends too. In addition to the full bath in both master suites, there is also a beautiful half bath near the pool too, making it convenient for everybody. The kitchen features granite countertops and high end stainless steel appliances including a whirlpool fridge and GE gas stove. All rooms have ceiling fans and there are also AC units in each master bedroom, plus a connection to add AC in the living room, though the whole unit stays cool even on the hottest days due to the quality insulated modern construction.
