Property Description

This 3BR home epitomizes the best building principles in Guanacaste real estate. Few homes for sale in Costa Rica feature construction of this quality and elegance, located in such a peaceful corner of the coastline, at such a modest price. Casa San Jacinto has Spanish charm, with airy spaces, high ceilings and beautiful wood elements throughout. Its spacious interior seamlessly transitions into the patio and pool, creating the perfect retreat for your family to enjoy this tranquil spot in Costa Rica. The home's main living, kitchen and dining space is enormous, soaring hardwood ceilings; a clerestory added to the roof creates brilliant air flow. The home's interior is a cool oasis throughout the year and all three bedrooms are spacious enough for adult couples. The home is located just 1.25 hours from a major international airport, and only 30 minutes from Playa Tamarindo, a bustling tourism hub, yet the immediate surroundings are utterly peaceful and idyllic.
