Property Description

This Villa will be finished in December 2022! It is located in a sub-condominium (called Las Brisas) located within the Hacienda Pinilla, a famous luxury Condominium in Tamarindo that counts with an 18 holes golf course, tennis courts, a gym, a spa, a beach club and kilometers of mountain back tracks. Check the video below! This 4 bedrooms with en-suite bathrooms is on ground floor only; two master bedrooms benefit from a in/outside bathrooms. There is a pool with sun decks and terraces all around along with a separate "Ranch" or BBQ area that host a kitchen, a toilet, a living room and dining corner. There is a garage, a laundry room, a pantry. It is important to underline the great vacation rental incomes that provide any home in that condominium. We love the Hacienda Pinilla in general, not only because it offers a high-end life comfort and is very safe but also thanks to its luxurious amenities and proximity with the beaches that border the grand Domain.
