Property Description

This beautiful house with just 1 year of construction, in the beautiful tourist place Jaco, just one kilometer from the beach. Jaco is characterized by being a tourist town in full development, and commercial, with a very peculiar flora and fauna that enchants foreigners and attracts the attention of visitors to the city. The house has a completely block construction, 3-meter high ceilings, lots of lighting in bedrooms and dining room, and luxury finishes. The kitchen is fully designed with quartz, the furniture is from Euromobilia, with delicate details in the selection of kitchenware, and the floors are porcelain tile, fine wood doors, and black-out blinds. It has a hot water system with a solar water heater, which reduces energy consumption. All areas have air conditioners. It has parking for 3 cars fully covered. It has a private pool of 3 x 4 meters with a depth of 1.6 meters, with an area for bbq.
