Property Description

PRICE REDUCED FROM \$799,999 If you are looking for peaceful surroundings, a year-round spring like climate, fresh unpolluted air, then you have come to the right place. The aerial view above shows just how large and lush this property is. It is secluded, but at the same time conveniently located to modern shopping centers, fine dining, markets, American schools and so much more of Costa Rica and its culture. This incredible property is located high above in an area called San Ramón de Tres Ríos. There are many areas of this property that through and over the trees there are openings revealing an breathtaking vista of the Central valley below and, to your right, the City of San Jose. Please spend some time reviewing our website and experience how true elegance, luxury and comfort blend together with the stunning Costa Rican environment. The property features 3 guest villas that are currently used for rental income but can also work nicely for a large family needing more than 4 bedrooms or simply used for your own house guests.
