Property Description

GANGA.... 7.000 Sqm of land. This farm has a house with 220 square meters of construction, which has 2 levels. It also has 2 bedrooms with private bathrooms, separate half bath for guests, office, living room, dining room, kitchen, laundry room, and a 30 square meters terrace. It also has a 25 Sqm balcony. The weather in this area is perfect, it also has many nature trails where you can hike with a guide and observe the flora and fauna. Among the most prominent animals are the toucans, orioles Moctezuma, macaws, monkeys, quails, birds, hummingbirds and other species. It has an excellent location as it is close to Route 27, making it very easy to visit the Central Pacific beaches; just 25 minutes from Multiplaza Escazú, and only 10 minutes to the new hospital in Ciudad Colón. On the property you can build a Centre for Welfare and Health, or Recovery Clinic. No matter what the purpose will be, you will be able to completely enjoy its canyon views, lush flora, fauna, and the sounds of nature.
