Property Description

This 2 bedrooms, 2.5 bathrooms tropical open-design single level home with detached bedrooms from main living area surrounded by tropical gardens. Both units maintain the continuity of the main casa with the same materials and precision of the main residence. Situated on a large lot, surrounded by native forests, the area has additional room for expansion. The 180 degree Pacific Ocean view and Manuel Antonio islands are magnificent, There are also views of the Savegre River, Cano Island, Osa Peninsula. It is very private and quiet. Abundant wildlife and the sound of nature is great. Located 700 feet above sea level. Only 15 minutes to Quepos Airport and 30 minutes to Dominical. Nicely landscaped, with screened sliding windows and high teak ceilings this house is the perfect to have the ocean view and peace of mind you are looking for. Property includes house, swimming pool, large rancho and pump room.
