Property Description

Tucked into a quiet residential neighborhood surrounded by rain forest, this peaceful oasis pool home is near to both Los Suenos Resort, Golf Course and Marina in Herradura and the bustling beach town of Jaco, with all the shops, restaurants and nightlife nearby, but none of the noise and traffic. This spacious 3 bedroom, 2 bath home is equipped with an automatic gate that opens to reveal a tranquil retreat with beautiful stately palm trees lining its driveway. The home comes fully furnished and turn-key ready with appliances, dishes, pots, pans, flatware and everything you'll need to start your new life in Costa Rica's tropical paradise. All you need to bring is your tooth brush, personal effects and a spirit for fun adventures. The entire quarter acre property is surrounded by a high wall, making it very private and secure. The home features a large garage, pantry and laundry room with high end washer and dryer, plus high teak wood ceilings throughout, ceiling fans, air conditioning, ceramic tile floors and tropical gardens all around, with a beautiful landscaped pool area and large outdoor entertainment space with the same high ceilings and a gorgeous hand-painted jungle mural by local artist Vinicio Araya M.
