## Property Description

This Tropical luxury home on a beautifully landscaped 2.7-acre property is located less than 10 minutes from the Marina Pez Vela in Quepos. This is a unique opportunity to own one of the largest and most comfortable homes in the area, with complete peace and privacy, which is now being offered fully furnished and absolutely turn-key ready for a lucky buyer to enjoy immediately. The spacious main house, of over 5500 sq. ft, boasts 5 large bedrooms, 3.5 baths, large open spaces with high ceilings throughout. A short distance from the main house, and nearer to the entrance, is a large garage/workshop, with a very large and comfortable one bedroom, one bath, guest house, with private balcony, on top of it. The main house and guest house are both completely private from each other. The features and upgrades to this house are amazing, and way too long to list here. There is a true chef's kitchen, with double ovens, Wolf brand range, walk-in pantry, large island, more than ample hardwood cabinets.
