Property Description

Offering spectacular sunset views on the ocean and located north from the center of town, Bahía Encantada is perfectly located close from nature and the sea. Condominium with 3 bedroom and 2 1/2 bathrooms. This tropical luxury condominium of 1,840 sq ft is located on the fourth floor, with a beautiful pool area just a few steps away from the warm water of the Pacific Ocean and incredible views from its terraces. You will be delighted by the resort style living at Bahía Encantada, having a cocktail at the ocean front pool bar or tanning with your friends in front of the surf. Enjoy a comfortable condo in a tropical atmosphere only a few minutes away from Jaco's amazing nightlife and outdoor adventures. One of the nice features of this condo is that it's located in one of the only 2 buildings in the Bahía Encantada community that's equipped with an elevator. This is a very nice feature as the elevator is much more convenient than having to climb stairs carrying groceries, ice chests, supplies etc.
