Property Description

This property has many amazing features. The terrain of the land is perfect for building, with beautiful ocean views and breezes. The property is easily accessible off the main coastal road, but also very tranquil and private. From most of the property, there are views of Punta Bejuco and then the land drops down to a shady ravine. On the other side of the ravine is another flat area for building or subdivision. Many native fruit and hardwood trees have been planted on the property. Water and electrical services are ready to go! This listing is a great opportunity to create your dream jungle retreat hideaway. For more information contact Brian@surfingnosara.com
