Property Description

This very private jungle retreat in the southern Pacific coast of Costa Rica features unobstructed ocean and sunset views, lush tropical gardens, an abundance of wildlife and access to the river, swimming holes and waterfalls. The property is located less than 5 minutes off the Pan American highway perched at an elevation of 700 feet. Located 20 minutes from Quepos/Manuel Antonio and 15 minutes from Dominical, this 4.6 acre property is perfectly located for easy access to all the central Pacific area has to offer and is less than five minutes to Matapalo beach. This comfortable home has approximately 3,500 square feet and is bordered by rainforest on three sides. The kitchen is very large and fully equipped including custom teak and bamboo cabinets. The living/dining room, master bedroom and veranda take full advantage of the views and have native hardwood trimmed doors, windows and ceilings.
