Property Description

House in gated community with unique exterior and interior designs, located in a safe area of Escazu, the residential complex has 24 hours security and monitoring system with cameras. The house has 320 meters of construction (building on solid concrete base), and a lot of 450 square meters. Once you enter through the beautiful wooden front door, you will walk thru the hallway that separates the bedrooms from the social living area and the kitchen. In the middle and to the left of this hallway you'll find the kitchen and service areas. At the end of the hallway you'll find the living room, dining room and a cozy covered terrace next to the fully landscaped patio. To the right of the hallway are the bedrooms and the informal living room. There are three bedrooms on this floor, one with a full bathroom and walk-in closet and two other bedrooms with closets and a bathroom they share. The staircase leading to the second floor, takes you to the huge master bedroom with its own big bathroom and walk-in closet and a balcony to enjoy the views to the valley and nice Guachipelin breeze.
