Property Description

This beautiful 3 bedroom 2 bathroom home comes fully furnished in a great gated community with 24 hour security. It's back porch opens right out to the community pool, with beautiful landscaping and a very large back terrace. Located in the middle of Esterillos Oeste, the local shops, restaurants, and a great surfing beach are all within walking distance. The development has had most of the homes built and sold already, and the developer lives in the complex. The pool area also has a large rancho/ BBQ area for entertaining family and friends. Esterillos is a growing community with many Americans and Canadians that is right in between Jaco and Manuel Antonio, without the tourist area price!
